Adult Day Health Care (ADHC) Provider  
Waiver Provider Transmittal #A-27

Dear ADHC Waiver Provider:

This letter is to notify you that the Department for Medicaid Services (DMS) has promulgated an emergency administrative regulation, 907 KAR 1:170E, "Reimbursement for Home and Community Based Waiver Services". This emergency administrative regulation addresses the changes in reimbursement for Level I and Level II ADHC basic services.

As outlined in 907 KAR 1:170E, Section 4(2) and (3), "Level I reimbursement shall be the lesser of the provider's usual and customary charges or thirty (30) dollars and eighty (80) cents per unit of service. Level II reimbursement shall be the lesser of the provider's usual and customary charges or thirty-seven (37) dollars and forty (40) cents of service." These new reimbursement rates are effective July 1, 2006.

Providers may obtain a copy of 907 KAR 1:170E via the Kentucky DMS web site at <http://chfs.ky.gov/dms>. Once the DMS web site is open, click on the "Regulations, Statutes & Material Incorporated by Reference" link located in web site's left margin. Emergency regulations are located by clicking on the link titled, "Current Emergency Administrative Regulations"

DMS is appreciative of your participation in the Medicaid program and the quality services you provide to our participants. Should you have any questions or require additional clarification, please feel free to contact Kristina Hayden. Ms. Hayden may be reached at (502) 564-5560.

Sincerely,

Glenn Jennings
